### A Unique Charitable Opportunity

The Philadelphia Sports Hall of Fame Foundation is a truly one of a kind organization in the Delaware Valley. It is a non-profit 501c3 entity, whose ultimate goal is a permanent, interactive, state-of-the-art sports museum, educational center and entertainment venue in the Philadelphia-area.

What is compelling about this mission? Why is this important?

The Hall of Fame was created with a multi-faceted mission to **Preserve and Promote the history of Philadelphia Sports**. This is accomplished on a number of levels in varying but related ways.

### Philadelphia Sports Heritage Collection

**Collecting & Curating** Philadelphia's sports history, which is so much a part of the fabric of Philadelphia itself.

- The fastest growing, most unique collection of Philadelphia sports artifacts, memorabilia, collectibles, antiques and architectural items.
- Covers all sports dating from the late 1800's through the current, including day-to-day items such as programs and newspapers to major architectural pieces from area sporting venues.
- Through on-going acquisition, these items are preserved, catalogued and presented to the public through various display opportunities.
- A permanent museum space allows this collection to be presented for generations to come

### Uniquely Philly

This effort is **uniquely Philadelphia** as the Hall of Fame recognizes all sports and all levels.

- Includes some who are known for their success here, and some who are from here who succeeded elsewhere.
- The 100+ inductees span 16 different sports, and present a historical backdrop of Philadelphia as one of the great sports regions in the world

### Hall of Fame "Preview Gallery"

### Must See Sports Museum

Finally, this physical museum facility will be a **must-see destination** in Philadelphia.

- With Philadelphia's sports history dating back over 140 years, a "classic" museum area is a major feature including displays of Philadelphia sports artifacts, memorabilia and structural items from local sports venues.
- Exhibits will include themed displays, dioramas, video capture for unique photo opportunities and architectural pieces integral to the design of the building.
- The latest technology and entertainment concepts offer a distinctly 21st century flavor with items such as an interactive timeline of Philadelphia sports, digital photo opportunities & an electronic media center where visitors can view or listen to old game broadcasts, television shows, audio, tapes & films.
- Participatory features include virtual reality, sports simulation areas and the ability to electronically browse through thousands of pages of old programs, newspapers, scorecards, magazines and books.
